

Response from the Hackney Tennis Board to information requested at the AGM on 13th December 2017

Due to staff changes the breakdown between salaried and self-employed coaches has changed with employed coach expenses falling and self-employed coach expenses rising slightly more. Overall expenditure on coaches has risen by 2%.

Membership fee income of £6,850 is partly spent on LTA Affiliation fees (£880) and the remainder classified as general income. This represents about 1.5% of general income.
