Hackney Tennis 2019 - Road to Wimbledon Tournament

Information and Conditions

Format

- This is a singles event for all boys and girls involved in playing at Hackney Tennis, who are no older than 14 but have reached 11 years old on August 31st, 2019. The tournament referee will grant Wildcards places to players who are still 9 or 10 years old on August 31st, 2019 in exceptional circumstances, but these players will not be eligible to qualify for the County Finals.
- The cost of entering the event is **£15** per player
- The draw is dependent upon entry. The intention is to run 2 draws; an 'A' draw and a 'B' draw. Higher rated players will be automatically placed in the 'A' draw. The 'B' draw will act as a qualifying event for the 'A' draw and will also be played through to completion with an eventual 'B' draw winner. There will be consolation matches so each player has a minimum of 2 matches
- Scoring will be best of 3 Fast4 sets.
- Finalists of the boy's and girl's singles events must be available to attend the Middlesex County Finals, July 13-14th
